Alma Mater

On an Island, o'er the water,
Cool, and sparkling blue;
Stands our school, our Alma Mater
Glorious to view.

Raise the banner, sing her praises
Thompson, Hail to Thee!
We will honor you and love you,
Thompson, by the sea.

Lift the standard, fly her colors,
Navy Blue and Gold—
We will always rally to thee
We, her sons so bold.

Raise your voices, sing for Thompson
Loyal sons are we—
We will honor, laud and love thee,
Thompson—Hail to thee.

ADMINISTRATION

Headmaster's Message

The tempo of our society and the apparent slackening of the moral standards in our culture create innumerable temptations for the young persons entering into the fast-moving current of life today. There is an ever increasing indifference to the quality of your work, there are many easily acquired vices for the irresolute, there is corruption and graft abroad in our society, attention to appearances and station in life have become an obsession with many, and there is a flagrant disregard for the Christian spirit as it was originally intended. These lures are easily accepted and it will take a stout heart and resolute mind to be responsible. It is our very real hope that we have, somehow, inculcated an appreciation for some of the real values in life into your spirit and that you will exemplify these values in everything that you undertake.

The Class of '63, in many ways, has the capacity for the good life and it is my sincere hope that each of you will measure up to the demands and responsibilities of a worthwhile citizenry.

Dean's Message

Each graduating class has a special distinction. The Class of 1963 is the largest class to be graduated from Thompson Academy and with all those varied talents therein lies the challenge to be the class most successful. When you receive your Thompson Academy diploma I feel you know and have accepted our standards for success to this point, and have acquired the skills to start well on your way. You are going to be surprised at how much you know, as well as how much you have yet to learn. Success means different things to different people, and seldom does anyone reach the maximum of his capabilities. If on the way up, a fleeting memory of our admonitions, exhortations, and counsel returns to you occasionally, even once, we will have helped!

Be assured our best wishes go with each of you; keep in touch with the Academy; and be proud of the traditions you represent.

Class History

The class of 1963 is the largest class to graduate from Thompson Academy. 1963 has achieved success both in the classroom and on the Honor Roll, and largely comprised our Varsity athletic teams.

As class officers we elected Bernie Woods and Bob Marston president and vice president all four years.

As Juniors we elected David Hurd and Gary Antonio secretary and treasurer. We also sponsored a Valentine and Easter Dance. The Easter Dance was most enjoyed because Mr. Pearl started a broom dance that turned out to be very funny. The Juniors also won the Intramural Basketball Championship to end the class of '62's three year domination.

In our Senior year Dave Boyajian and Gary Antonio were elected secretary and treasurer. Ralph Snell was chosen Student Council president, with Jack Jones and Larry Bella senior representatives. The class sponsored the Senior Prom and also a Football Hop, featuring player dedications. With the help of Mrs. Alberstadt, the seniors were able to complete a Senior Lounge in the old printing room. Baccalaureate Services were held on June 2nd and Graduation on June 8th.

Respectfully submitted,

Dave Boyajian, Secretary

The SeaHawk Club is a newly established organization. Under the guidance of Coach Maddox, the Club prepared a set of laws to which each member is bound.

In the gymnasium hangs a banner bearing the names of the first members of the Club and also the motto:

*School
Honor — Duty*

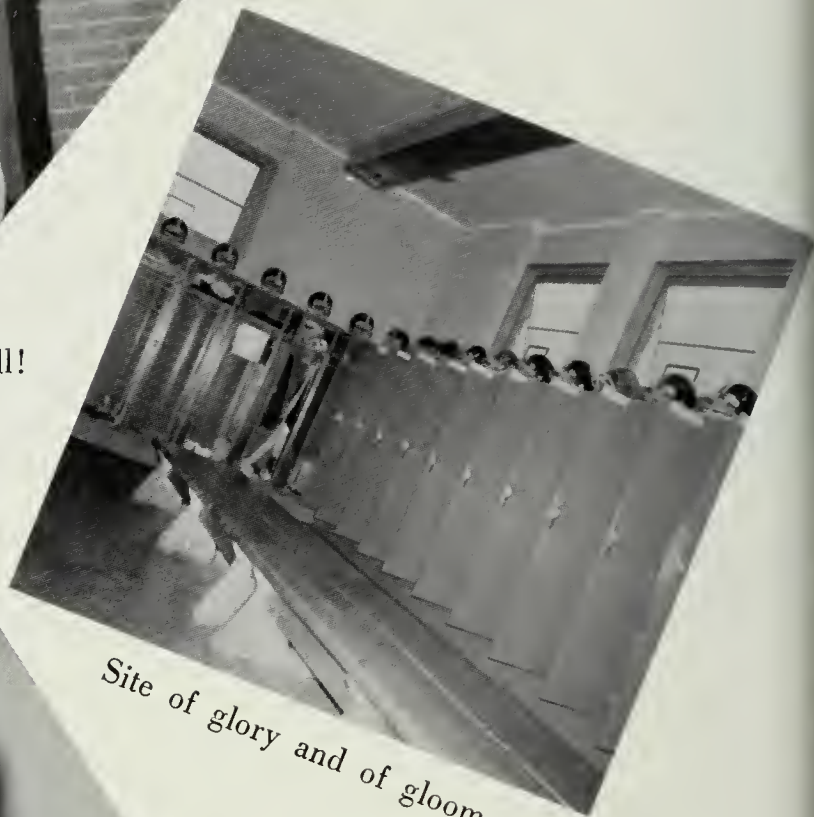

The Club members serve as escorts to visiting athletic teams, and build the school spirit.

The 1962 Varsity football season was not notable for a string of unbeaten games, but, none the less, was interesting. It seemed as though the SeaHawks were fated to lose and win on alternate weekends. Only a tie with St. Sebastian marred the pattern.

There were two newcomers on the T.A. Schedule: Lynnfield High and St. Sebastian School.

The starting eleven contained some old faces and some new. At the ends were Bernie Woods, team captain, and Bill Maddox, next year's captain. Bob Marston, playing with a shoulder dislocation, held down one tackle berth while Norm Brazel and Al White shared the other. At guards were veterans Paul Gaucher and Jim Gorman. Bob Richardson played at center for the second straight year.

In the backfield were Jack Jones at Q.B., Jim Ryan and Bob Benotti at the halves and at fullback, Dave Boyajian.

F o o t b a l l

Coaches Tom Burns and Jim Creelman

Antonio, K. Shaw, THIRD ROW: F. Goodhue, Mgr. J. O'Hearn, D. Shattuck. R. Mottau, J. Fields, A. Jardine, W. Thurston, J. Connolly, D. Silveria, J. Thornhill, R. Snell, Mgr. and Coaches Creelman, Maddox, and Burns.

There were nine Seniors in this group and they will be sorely missed in the next season.

Perhaps the most outstanding event of the season was the tie game with St. Sebastian. Played in a driving rain and wind storm, it demonstrated to all that football is not a fair weather sport, but, rather a game that teaches young men the need to carry on, despite adverse conditions. Such a lesson, learned early in life, is of inestimable value as young men grow into manhood with its problems and challenges.

So, despite the losses in graduation, and despite the leanness in next year's ranks, Thompson looks forward to the 1963 season with zest and eagerness. Once again, the Blue and Gold will take the field against all comers and strive to keep her banners high.

Coach Maddox

In Action

Go! Thompson, go!

He's not going anyplace!

Better luck next time!!

Six big points for Thompson.

The Half—they get a well deserved rest.

Congratulations to the Coefficient football team, captained by Jack Fiedler '65, which sailed through its schedule undefeated until the final minute and a half of the last game! A blocked punt set up the winning touchdown for Belmont Hill—thus ending the chances of an undefeated season. The team's final record read 5 wins, 1 loss.

Twenty-eight future football stars set a fine example of spirit and teamwork throughout the season. Coaches Thomas, Mark, and Magazu are justly proud of the squad. Richard Poulack '63 gave an assist to the newest members.
